

Spring to Spring Trail

All sections highlighted in blue are not complete as of March 2021.

When complete, the Spring-to-Spring Trail will stretch 26 miles from Gemini Springs Park to DeLeón Springs State Park. It is designed to accommodate walkers, joggers, inline skaters, bicyclists, and people with disabilities. To date, Volusia County has completed several segments of the trail totaling nearly 15 miles.

Five trailheads have been built for your convenience at DeBary Hall Historic Site, Gemini Springs Park, Lake Monroe Park, Lake Beresford Park, Blue Spring State Park, and along Grand Avenue in Glenwood.
